Interest Compounding and Crediting Frequency	<ul style="list-style-type: none"> • Interest will not be compounded and accrued interest will be credited to your account monthly. • The daily balance method is used to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account at the end of each day. We will use an interest accrual basis of 365 (or 366 in a leap year) for each day in the year. • Accrual of interest begins on the business day you deposit noncash items (for example, checks). • Accrued interest is forfeited if the account is closed before the interest is credited to the account. • Fees may reduce earnings on the account. 																																		

Bank of Hope reserves the right to change your account to a product more suitable for your needs based on account activities. This account is subject to the same terms and fees, unless otherwise noted above, applicable to other consumer transaction accounts as disclosed in Bank of Hope's Deposit Account Agreement. Any changes to the above that may adversely affect the accountholder will be disclosed 30 days prior to the effective date. Other terms and fees are subject to change without prior notice except as required by law.
