How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See your Visa Agreement and Disclosure Statement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Visa Agreement and Disclosure Statement.

Payment Allocation: We may apply a portion of your payments up to your Minimum Payment Due to lower APR balances first, including transferred balances. Generally, payments greater than your Minimum Payment Due will be applied to your highest rate balance first.

Prime Rate: Variable APRs are based on the 3.75% Prime Rate as of 12/15/2016.

¹ We add 6.24%, 10.24%, or 14.24% to the Prime Rate to determine the Purchase/Balance Transfer APR.

² We add 18.74% to the Prime Rate to determine the Cash Advance APR.

Important Information About Procedures For Opening A New Account: To help the government fight the funding of terrorism and money laundering activities, U.S. Federal law requires financial institutions to obtain, verify, and record information that identifies each person (individual or business) who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask for your driver's license or other identifying information.
